## Using Photographic Images of Children – Consent Form

Name of Child: .....

Sometimes we take photographs of the members either at rehearsals or at organised social events. We may use the pictures in 8218 Youth Theatre newsletters, on our website or within show programmes. We may also make video recordings of the show to be sold to cast members and their families. To comply with the Data Protection Act 1998 we need your permission to photograph or make any recordings of your child.

Occasionally the group may be visited by the news media (usually local newspapers) to take photographs or film an event. Members will appear in these images that will be published in local newspapers.

If your child is old enough to express their own view about being photographed or filmed we would encourage you to discuss the matter with them.

Please answer questions 1 and 2 below, then sign and date the form where shown and return to Julie Mills as soon as possible.

1. May we take photographs of your child / film your child in 8218 Youth Theatre shows and use photographs (unidentified by their full name):

In newsletters  
On the website  
Within show programmes

Please circle your answer Yes / No

2. Do you consent to your child being photographed by local newspapers and other news media on the basis that their full name could be published with the picture?

*Please note that: newspapers will be asked to avoid using the child's name if their image is put on the newspaper's own website*

Please circle your answer Yes / No

**Declaration:** I have read and understood the above information. My decision on whether to give consent will remain valid throughout my child's membership at 8218 Youth Theatre, unless I notify the group to the contrary in writing. I promise that if I, or members of my family, take photographs or video recordings at any 8218 Youth Theatre social events, these will be kept for family use only.
